EOL Notification Date: November 15, 2018
Last Time Buy (LTB) Date: December 31, 2018
Last Ship Date: TBD
End Of Service: December 31, 2022

Notification of End of Life: Avantes is formally notifying our customers that the instrument/equipment listed below will no longer be in production and can no longer be purchased after the last time buy date indicated above. Please contact either your Sales Engineer or infousa@avantes.com for more information on purchasing this end of life product. The following models are subject to this notification:

ASM-5216

Reason for End of Life: The ASM-5216 electronics board uses obsolete components, has already been marked for obsolescence and has been available only for existing ASM-5216 customers for some time. Acceptance of new orders will be based on material availability.

Replacement Instrument: AS-7010 where applicable

Purchase Information: The standard warranty terms will be honored for all units shipped up to the last shipment date (end of delivery). If Avantes cannot repair or deliver a new product, an alternative will be suggested where possible. There are no expected changes for support and service.
